

## EXAKTA ETC. ITEMS

1. KILFITT MÜNCHEN Exakta mount bellows unit "NAKEX" In factory box with instructions (in German). Overall Excellent condition.
2. DELFT CERAMIC TILE Replica #908. Ihagee 30th anniversary 1942. Excellent condition in box.
3. "EXAKTA GERMANY" EXAKTA TOP2 #A1438180. 1990's inexpensive German auto 35mm camera with 35mm EXAKTA LENS. Takes AA batteries. Excellent condition but no relation to Ihagee.
4. EXA 1a ODD EDUCATIONAL DEVICE. Camera has had all functions disabled except for the view finder which has been permanently installed in the camera. The reflex mirror has been replaced by a prism with a ground glass surface facing the Exakta flanges. There are four Exakta mount lens flanges equally spaced around an eight inch wheel so that four lenses may be mounted and viewed in succession through the viewfinder (but no photograph could be taken). Metal 4mm thick with industrial grey paint. Appears to be a unique shop made item.
5. BALL POINT PENS. 2 marked EXAKTA.
6. EXAKTA FLASH ADAPTERS. One a ROWI in original package and one unnamed metal.
7. AGFA AGFALUX AG1 compact flash with instructions in factory case.
8. IHAGEE FLASH UNIT Type 2. 1950's missing reflector.
9. FLASH GUN FOR EXA. Exakta Camera Co. Before 1952 in original factory box. Very good condition but unusable.
10. ARGUS argoflex EF. Late 1940's metal twin lens reflex camera with 75mm f4.5 Argus Coated Varex shutter. Takes 620 size film, with lens cap.
11. TROJAN INTRA-ORAL SYSTEMS macro flash adaptor 49mm lens mounted.
12. CAMERA STAND plastic, marked EXAKTA 1960's.
13. CAMERA STAND wood, marked IHAGEE (from 2014 Exakta Convention).
14. CARL ZEISS JENA Stereo Prism f=50/2m-∞ Nr52704 T. With 49mm lens adapter and caps. In box made by J. Focht.
