

SEYMOUR-REBUILT EXAKTAS

What is a Seymour-Rebuilt Exakta?

A Seymour-Rebuilt Exakta is a used Exakta which has been rebuilt in our own Service Facilities. It comes to you on a 15-Day Money-Back Trial Basis and Otto, our Service Manager, insists on a 90-Day Guarantee which covers parts and Labor!

Our supply depends on the number of cameras we receive in trade and on the number of orders we receive for rebuilt cameras. We suggest you give first, second, and third choice of the Exakta Model you want.
