[Ihagee, Thagee, again, no bells ringing? HR]

The lens is marked inside and is hard to see

[Lenses are transparent of course, but not THAT transparent. Or are they? HR]

Lens looks clear.

[Lens looks very clear, even invisible! The front part is completely missing. HR]

(on a Kine-Exakta body)

It is missing the shutter and lens?

[Shure about the shutter, not about the lens? HR]

The leather case ... is in good condition with the exception of missing the top piece.

[Patient is in healthy condition with the exception of missing his head. HR]

I am unsure of it's age but I bought from an auction and i paid £30 a few years ago.

[How do we calculate the age from the price a few years ago? HR]

It is in excellent condtion however unsure if it works as I have never tried.
