

EbayWonder5, strange offers of Ihagee/Exakta items found on eBay

By Hugo Ruys

Exakta Objektiv Brennweite 500 mm Verschlusszeit 1:8

(Exakta lens, focal length 500 mm, shutter time 1:8)

[Only for Exaktas with built-in aperture. HR]

This is a 1:56, f=300mm telephoto lens. There is no case for this.

[Of course there is no case for this. 300mm lenses with an aperture of 56 don't exist. HR]

Old model Caspeco camera lens Lens made in Japan.. odd for this era German craftsmanship

[Odd indeed. HR]

The lens on the body of the camera is a 1:19 f=55mm. It has great Macro capabilities and is

[Don't believe the 1:19. The very last statement however is undeniable. HR]

Ihagee waist level prizm

[It isn't. HR]

Exa III1958 by Ihagee of Dresden with Acceroies

This camera has worked perfectly for me all its life and has never stopped working.

[These Acceroies seem to work permanently. HR]

I am selling a rare Exakta Vx camera built around 1958 all the shutters work.

[Indeed there are many: curtain shutter, aperture blade shutter, lens mount shutter, back shutter, view-finder shutter. HR]

Elbaflex/Exacta 1000VX An dem Kameragehäuse fehlt das Typenschild ("Elbaflex")

(On the camera body the name plate "Elbaflex" is missing)

[A nameless Elbaflex. Much different from a nameless Exakta VX1000? HR]

Exakta Real Only this model made 1966 Years in West Germany

[Production must have started under Julius Caesar. HR]

Kilfitt Zommar: adapter ring for Macro Killar to Exakta

[Killing offer for an Exakta collector. HR]

This NIGHT EXAKTA IS IN TRULLY UNUSUSAL CONDITION

[This description is also Trully Unususal. HR]

We're selling an Exakta Ihagee Jhangee Dresden vintage camera

[Janghee and a bottle of rum. HR]

The camera is in good condition considering the age

[Not rum, cider. HR]

Ihagee Kine Exacta (this version has the misspelled C instead of K of Exakta)

[Talking about misspelled ...HR]

Escakta VXIIC Jhagee A beautiful fine quality 35 mm rangefinder camera w/ Karl Zeiss Tessar lens.

[For a moment I thought this was an Exakta with a Carl Zeiss lens. But it can't be. HR]

(On an Exa Ic without view-finder)

Bei der Kamera fehlt der Prismaaufsatz. Man muß als von oben in den Sucher gucken. Früher hat man das wohl auch gemacht... Nur bequem ist es nicht.

(The prism view-finder is missing. One has to peer down in the view-finder. In the past it was probably done that way. But it's not convenient.)

[This seller really believes everybody in the past was as stupid as he is now. HR]

RARE Jessie Owens Commemorative Leica R 4 SLR Camera to Commemorate the Golden Jubilee of Jessie Owens ' performances at the 1936 Olympic Games.

[Not a fake, but a performance to commemorate nevertheless. HR]

This is a EXAKTA VX 35MM RANGEFINDER I am selling this and if you look at my other auctions; many items for an elderly woman who is getting rid of all of her husband's movie and still camera equipment.

[The selling is no surprise, getting rid of all husbands on eBay is (and of course the Rangefinder Exakta). HR]

Kamera Exa 1C es fehlt etwas, ich weiß nicht genau was
Camera Exa 1C something is missing, I don't know exactly what)

[Don't worry. It's only the view-finder that's missing. HR]

EXAKTA WASTE FINDER BY THAGEE

[No need for such a contraption now; waste is everywhere. HR]

(On a normal Exa IIb with Meyer Domiplan)

EXA 1B Bietet interessanten Photoapparat Pentakon Görlitz, Mayer Optik. Photo befindet sich in einem guten dem Alter entsprechenden Original Zustand, er ist für sehr Rollfilme gedacht. **Einmalige und einzige Gelegenheit Der absolute Wahnsinn.**

(EXA 1B Offers interesting camera Pentakon Görlitz, Mayer Optik. Photo is in good and age corresponding original condition, he is meant for very roll films. **The one and only opportunity The absolute madness.**)

[Maybe not absolute, but close. HR]

{I suggested description improvements. Answer: No need. Not everybody is as smart as you. HR}

(The first one is an Exa film camera)
